

# THE *facts* ABOUT HURRICANES

Hurricane season runs from  
**June 1** thru **November 30**

**69%** think it costs more than  
\$10K to strengthen their home.  
Meaningful hurricane protection  
can cost as little as \$1,100

**54%** think taping windows  
protects against hurricane  
damages. Taping windows is a  
waste of time and money, and  
may be dangerous

**Storm surge** is the greatest  
threat to life and property from a  
hurricane, regardless of wind  
speed
